

## e-Yantra Robotics Competition (eYRC 2019-20)

### Task 3.1 - Supply Bot

The aim of this task is to gauge your understanding of the theme's Rulebook. The teams have to answer a 100 marks Questionnaire based on aspects explained in the Rulebook and how you would implement such a problem statement in the real world scenario.

There will be a document titled "**SB\_Questionnaire.docx**". Fill this questionnaire to answer the questions in it in the space below the question.

Once completed, save the answered "**SB\_Questionnaire.docx**" as "**SB\_Questionnaire.pdf**" to submit this task. To submit the questionnaire.pdf, please ensure the final name of your questionnaire is **SB#<Team ID>\_task3Q.pdf** where <Team ID> is your eYRC team ID.

For example if your eYRC team ID is 9999 then the submission document should be named **SB#9999\_task3Q.pdf**
