

### Original Arena Configuration

Table : Relief Aid Node Position

S. No.	Node Type	Node Number
1.	Medical Aid	6
2.	Food Supply	3
3.	Food Supply	9

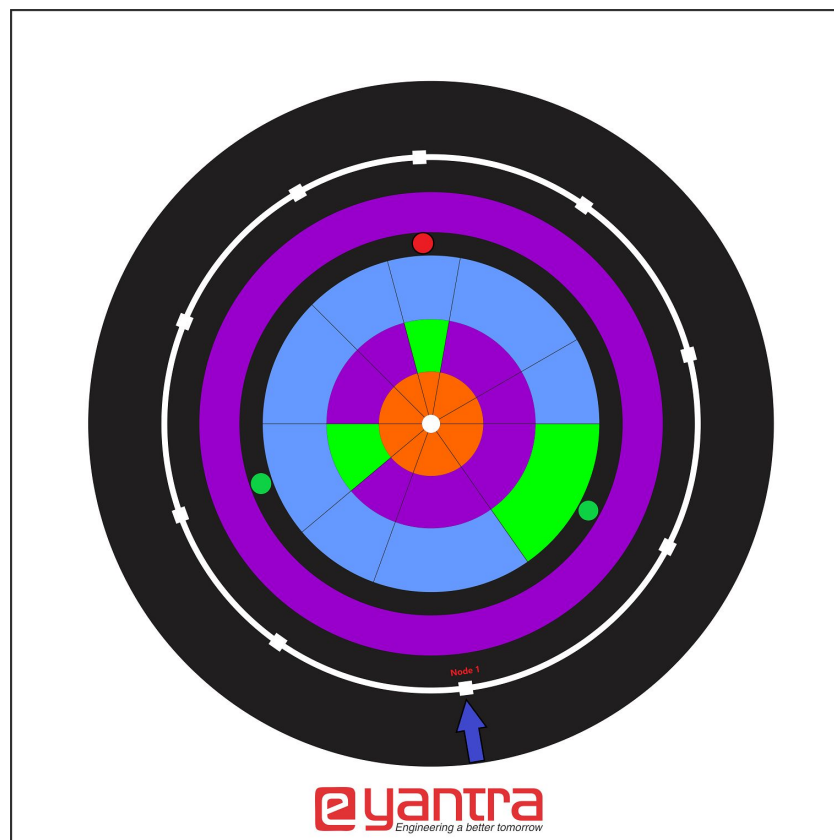

Figure : Start Node/Capital is marked with blue arrow

#### Attention Note: If selected for the finals,

1. The minimum Sector angle will be 30 degrees. However, the number of nodes will still remain a total of 9.
2. The Dead Zones may be placed at locations different from those placed now.
3. The Capital will never have any Relief Aid.

However, the layers of concentric circles will not change. The dimensions of the arena and its elements like diameter and thickness of rings will not change.
